Services: I do vocal coaching, vocal preproduction and vocal production for over 45 years and developed my signature technique for producing FEEL while working with producers and artists such as Quincy Jones, David Khane and 100+ Grammy winners. Producers, managers and artists know that the FEEL and emotion expression of a singer's performance is the number one priority to the listener. Everything else pales in significance. I always produce and demonstrate the FEEL in the style of the artist.
