# MasterWriter

## Are you a Songwriter?

- Imagine having all the tools and features a songwriter needs in one place.
- Imagine having all these writing tools at your fingertips.
- Imagine a program where your projects and ideas are painlessly organized.

We imagined all of these things and created **MasterWriter, the most powerful suite of songwriting tools ever assembled in one program.**

While a computer program cannot compete with the mind and imagination of the writer, the mind cannot compete with the word choices MasterWriter will give you in an instant.

**When the two work together, great things happen...**

Channels as well as TLC, among many many others.
